

PICTURE YOUR WORLD YOUTH PHOTOGRAPHY PROGRAM 2019-2020

Join us for the 2019-2020 season of Picture Your World hosted by **Green Spaces Alliance of South Texas**. Open to youth ages 8-18, the Picture Your World weekend workshops teach photographic composition and technique through hands-on demonstration, and constructive critique. Participants will produce a visual memory of their day and begin a creative portfolio while experiencing the wonders of the natural environment. Each workshop is led by the Picture Your World Program Manager, Carra Garza, along with a professional photographer, and a Master Naturalist. Participants may bring their own digital camera, or we will provide one for you. The cost per workshop is \$20.00 per student. Fees may be waived for students demonstrating financial need. Registration is also available online at www.greensatx.org/events.

Sun., September 22, 2019, 1:00-4:30 pm: San Antonio Botanical Garden — A scenic oasis with trails, pond, native plants, and glass conservatories with florae from around the world.
